

JOHN TULLIS

John probably moved from VA. to OH with some of his brothers and their families - for his children were born in OH, 1800-1819. The family probably moved to Indiana as son Moses' 1st child, b. Wea Plaines, IN. Later the family moved to Iroquois Co., Ill. Some went to MO.

- Compiler's Note -

It's a small world - On 28 Oct 1936 I enrolled at Glendale Academy of Cosmetology in Glendale, CA. The teacher was Elinor Tullis, age 24. Since her people were from Ill., we dismissed the thought that we may have been related. She was a tall, slim, good looking lady with dark hair and flashing, twinkling dark brown eyes.

Over the years, we exchanged Christmas cards. For my mother's birthday celebration in September of 1976, my sister invited Elinor Tullis Neal and I found her just as charming as in years gone by. She informed me as we conversed about the family and Tullis family history - about the "Tullis Tracer" - which has been such a help to so many! She also said two of her cousins had been working on the family genealogy and promised to send me a copy, which she did. I still couldn't figure the relationship - however, it did appear we were distantly related.

It wasn't until I got her ancestor John Tullis' b. date, 27 Sept. 1762, and compared with the known John Tullis, son of Moses #1. It was stated John was 15 in March 1778 after his father had died. I realized this was he and he would be 16 in the fall! Then I was able to figure our relationship, 5th cousins twice removed!

Elinor is retired and lives at Desert Palms, CA.
